About Me

Hi, I'm Samriddhi — a second-year B.Com student from the University of Lucknow, and I'm currently preparing for my CA Intermediate exams. I cleared CA Foundation in my first attempt, and I've also had the chance to get hands-on experience working in my family's business. There, I managed day-to-day operations, communicated with clients, scheduled meetings, and kept things organized, all while balancing my studies. That experience taught me how to multitask, take ownership, and stay calm under pressure. Now, I'm eager to gain professional experience in a structured setup, where I can learn, contribute, and grow.
