

Note on Potential Investor Return Scenario

PlacementHub is currently seeking an investment of ₹15 lakh at a pre-money valuation of ₹2 crore, representing approximately 7% equity.

As a scenario-based example, if PlacementHub achieves its commercialization objectives and reaches a company valuation of ₹10 crore within the next three years, the investor's stake would be valued at approximately ₹70 lakh.

Item	Value
Investment Amount	₹15 lakh
Equity Stake	7%
Assumed Future Valuation	₹10 crore

Potential Stake Value ₹70 lakh

Potential Return Multiple 4.7x

Potential investor liquidity pathways may include:

- Participation in a future funding round at a higher valuation
- Partial or full secondary sale of shares to incoming investors
- Strategic acquisition of PlacementHub by an HRTech, EdTech, recruitment, or higher-education technology company
- Founder or management buyback, subject to company performance and mutual agreement

This scenario is provided solely to demonstrate a potential outcome based on the stated assumptions and should not be interpreted as a projection, guarantee, or assurance of future returns.
